## PRESS RELEASE

May 23, 2006

IMMEDIATE RELEASE

### **Belltech Drop Ball Joint for 2004 - 2006 Chevrolet Colorado / GMC Canyon**

Belltech now offers the only two-inch lowering Drop Ball Joint for all 2wd 2004 – 2006 Colorado's / Canyon's. The Colorado/Canyon truck is lowered by moving the factory location ball joint up two inches". The design allows you to retain the use of stock size wheels with out any clearance issues. Factory ride comfort is retained. Part #2103
