PRESS RELEASE

March 2007

IMMEDIATE RELEASE

Belltech 2004-2006 Ford F150

Belltech announces their Ford Drop Spindle for the 2004-2006 F-150. The drop spindle is a direct replacement to the factory unit. It features a full two-inch drop while retaining full factory suspension travel, suspension geometry and alignment. Requires the use of minimum sized wheels of 20" or larger. Each spindle is built from high strength ductile iron, providing the structural integrity to meet and exceed all factory specifications. All spindles are powder-coated for a durable lasting finish.
