Featuring:

- LSD Kit

LSD (Lambo Style Doors) is the world's only crash tested lambo style door system. LSD offers vehicle specific applications. Engineered as a bolt-on solution, our LSD-Door kits take all of the guess work out for you and come ready to install. LSD-Doors utilize patented technology and integrate safety features in each LSD-Door kit, thereby offering your customer a safe and user friendly solution.

- Performance Shock Absorbers
- Drop Spindles
- Coils and "PRO" Coils
- Spring Distance Spacers
- Torsion Bar Keys
- Shock Extensions
- Complete Lowering Kits
- Anti Sway Bars

Belltech manufactures a complete line of suspension components designed to build a truck or SUV to suit your personality and life style. Vehicle drops are achieved through the use of matched components assembled into a complete system. Using Belltech suspension components you can build a custom sport truck to meet your specific objective.

LSD Kit

LSD-Doors offers the worlds only crash tested lambo style door system for the 2000-2006 Chevrolet/GMC Tahoe/Yukon/Suburban/Escalade/Avalanche. The bolt-on ready kit offers a Side Impact Safety Lock, M.A.R.A. (Multiple - Axis - Rotational - Assembly) and Magic Stick Technology. A patented Side Impact Safety Lock is integrated into each LSD-Door system. The M.A.R.A. C-shaped pivot arm connection provides a range of adjustment for proper gap clearance for smooth operation. The "Magic Stick" technology provides a second hinge point and supports the door when closed. Each LSD-Door kit is vehicle specific and offers factory like fit.

It's all about the details:

1. M.A.R.A. Technology
Multiple-Axis-Rotational-Assembly
2. "Magic Stick" technology
3. Patented safety locking for side impact
4. Vehicle-specific gas springs
5. Adjustable roller guide for the pivot arm

Inside the package is everything you need to do the installation

- Two completely per-assembled LSD hinges including high pressure gas dampers
- Complete LSD hardware kit, including wire harness extensions with insulated cable connectors
- Waterproof insulation tape, wire guide clips and wire ties
- Fully illustrated step by step installation manual

Manufacturer / Vehicle Type	Model	Year of construction	Footnotes	Part No.
CHEVROLET / GMC				
Tahoe / Yukon* / Suburban/ Avalanche	All	00-06	a), d), j), k), l)	50061005

Footnotes:

- *) will not work with factory equipped body cladding
- a) dismantling and slight modification of the fender might be necessary
- d) the wire harness extension is necessary
- j) vehicles with airbags in the doors - the functionality of the airbag needs to be tested after the cable is extended
- k) parts of the original hinges need to be cut off. To go back to the original hinges there will be additional parts necessary.
- l) Please check the chart with accessories.
- l) internal fender modification required

Belltech Nitro Drop 2 Shock Absorbers

Belltech's newly designed "Nitro Drop 2" shock utilizes the latest twin tube technology and OE quality components for improved handling of your sport truck.

- Ideal for the performance orientated truck enthusiasts
- Performance handling with OE quality construction
- Complements larger wheel and tire packages

Belltech Street Performance Shock Absorbers

Belltech's newly designed "Street Performance" shock absorber utilizes high performance OE quality components to provide the avid truck enthusiast a great balance between ride performance and handling.

- Ideal replacement for premium trucks and SUV's
- Optimum balance of performance, handling and ride quality
- Complements larger wheel and tire packages

Belltech Drop Spindle

Belltech's Dropped Spindles offer a 2 inch drop, while improving handling and retaining factory ride quality. Our spindles maintain critical suspension geometry and eliminate the possibility of suspension misalignment. Each spindle is built from high strength ductile iron, providing the structural integrity to meet and exceed all factory specifications.

- Retains critical front end geometry during lowering
- Exceeds OEM quality and strength standards
- Manufactured with high quality materials
- Award winning design

Belltech Drop Spindles

00-06	Tahoe, Yukon, Yukon XL, Suburban, Avalanche, Escalade (2WD and 4WD)	2"	2508

Belltech Rear Coil Springs

Each coil spring is built from chromium alloy steel and is wound, shot peened then powder coated to exact specifications to assure the proper ride height, ride quality and long life you have come to expect from Belltech products. Belltech's rear coil spring sets are designed to easily replace the factory springs. These springs are a great solution for the enthusiast looking to lower their vehicle.

Belltech Rear "PRO" Coils

Rear Coil spring and spacer kits - Developed with performance and comfort in mind, Belltech's new advanced rear coils and spacer kits come with an OEM quality bushing. Ride comfort is retained with the load absorbing OEM quality bushing when lowering the rear of your vehicle.

Belltech Anti Sway Bars

Performance and comfort characteristics are taken into consideration with each Belltech Anti-Sway Bar design. Incorporating 20 plus years of design experience, Belltech Anti-Sway Bars are designed to improve handling and steering response by minimizing body roll while not affecting ride quality. Belltech Anti-Sway Bars are manufactured from cold formed solid steel and use swaged ends for their superior strength and reliability. All Belltech anti-sway bars include high grade mounting hardware, polyurethane bushings and are powder coated for a lasting finish.
